

Ellen S. Goldman joins SB, leads Environmental Law practice

March 17, 2022

Kansas City – Seigfreid Bingham is pleased to announce that Ellen S. Goldman, a longtime Kansas City attorney, has joined the firm. Goldman is the new leader of the Environmental Law practice.

With four decades of experience and the last two as a sole practitioner out of Overland Park, Kan., Ellen offers a broad range of services and wealth of knowledge in environmental issues, including regulatory planning and compliance, real estate transactions, permitting, and litigation.

Before going into private practice, she served as the associate regional counsel at the Environmental Protection Agency, Region VII, from 1978-1988.
