

Ellen Goldman Named to Missouri Lawyers Media POWER List for Environmental Law

Seigfreid Bingham attorney Ellen Goldman was included on the *Missouri Lawyers Media* (MLM) Environmental and Energy Law POWER List for 2023.

The Environmental POWER list “examines the state’s most powerful attorneys in environmental and energy law.” The MLM editorial team generates the list using a thorough selection process, which includes analyzing state records, cases, and databases, interviewing respected attorneys and leaders, and examining career accomplishments and leadership experience.

Recognized for her extensive background in the legal industry, Ellen advises clients on environmental issues in real estate transactions and assisting companies and individuals with due diligence, compliance and regulatory matters, litigation, and counseling. She currently leads the Seigfreid Bingham Environmental Law group, serving as the go-to attorney for environmental law and policy services across the firm’s industry groups.
