

Ingram's Magazine Features Seigfreid Bingham for its 50th Anniversary Milestone

Seigfreid Bingham is highlighted for its upcoming 50th anniversary in the January edition of *Ingram's* magazine in the corporate anniversary milestones section.

Ingram's magazine showcases companies that have achieved a significant milestone in 2024 and "pays tribute to companies that have taken the full measure of the marketplace and come out on top."

The firm was founded on June 1, 1974, with a vision of providing innovative, cost-effective, and timely legal services while focusing on relationships and respect. Five decades later, we have evolved but continue to provide clients with the highest level of service and focus on the values set forth by our founding attorneys.
