

Steve Kyle Appointed Chair of LFA Business Law Section

Seigfreid Bingham attorney Steve Kyle was recently appointed Chair of the Law Firm Alliance (LFA) Business Law Section. The LFA is a legal organization focused on providing a trusted international network of mid-sized law firms, and Seigfreid Bingham is the LFA Missouri firm.

As a member of the LFA, Seigfreid Bingham has access to an international network of legal expertise and referrals across 18 countries, more than 50 law firms, and over 2,500 lawyers. Our membership allows us to collaborate and share information, experience, and jurisdictional knowledge that benefit our practice groups and clients.

Part of that collaboration that the LFA fosters includes LFA Conferences, allowing members to network with other firms, strengthen relationships, and participate in educational sessions in person twice a year. During the Spring Meeting in May 2024, Steve led the Business Law Forum breakout session. Attorney Shannon Cohorst Johnson and the firm's Marketing Manager also attended the Spring Meeting.

The Law Firm Alliance membership is highly selective and is offered on an invitation-only basis, ensuring that the caliber of firms selected is exceptionally high. Criteria include peer and client recommendations, service offerings, as well as ethical standards held within the firms.
